We both very much enjoyed your performance and we have had such positive feedback from so many of our guests who thoroughly enjoyed the range of music you played and the quality of your performance. You certainly helped to create a great party atmosphere and help to make our wedding day all the more memorable. "The band provided a great feel, injecting life into our evening do. We didn't have a huge number of guests relative to the size of the barn so I was a little concerned before the wedding that it could feel a bit flat – I needn't have worried! Everyone was up dancing. We received loads of positive comments from our guests. Thank you for performing for so much of the evening. Your breaks were very short. The only other band quote we received had suggested only playing for 50% of the time!! The guys were nice friendly guys and a pleasure to share the evening with. Thanks!"

Cathy O'Connor (nee Hall) - wedding

The Blue Rinse really made our wedding perfect - a great way to finish off the day. From the first dance to the final song our guests filled the dance floor and we had so many people complimenting us on our choice of entertainment. Brilliant!

The Blue Rinse were worth every penny!!!"

Ellie - wedding
(Elvetham Hotel, Hampshire - 19th November 2016)

"The event was for 320 people; 2 3rds had learning disability - the group were fantastic they engaged with people and happy to allow people to sing along and dance close to the stage. They made the night. Big Big Thank you."

L McGinley - charity event at
(DoubleTree by Hilton MK, Buckinghamshire - 25th November 2016)

"Marie was so lovely and answered all of our questions. It was great not to have to worry as I felt confident the guys knew what they were doing and when...Everyone said how great they were, and it was really special to have our first dance performed live. The mix of songs meant the dance floor was never empty and it was helpful to have the DJ in between so we didn't need to set up an iPod or anything."

Lucy Peach - wedding
(The Guildhall, Northamptonshire - 26th November 2016)

"Rob (pianist) was amazing, just what I wanted for the meal section of our party...Everyone had such a fantastic evening and still talking about it. Marie, thank for all your help in the organising of our event. Can't wait to book you again!"

J. Bates - corporate Christmas party for Randstad
(Woburn Sculpture Gallery, Bedfordshire - 9th December 2016)

"I just wanted to drop you a quick note to thank you for all your help in organising our Christmas party again this year. All your support in the lead up is really appreciated. Once again, the whole evening was a huge success with the dance floor barely large enough to cope with the numbers, we had up dancing at some point during the evening! ☺ Please pass on our thanks to the band for the big part they play in making these evenings such a success, Thanks again."

Deborah Jones - corporate Christmas party for Actelion Pharmaceuticals
(Sofitel St James, London - 16th December 2016)

"Luke & I would just like to say a massive thank you for your performance at our wedding. We obviously loved the whole day, but I can't tell you how perfect the evening reception was for us...you guys were absolutely amazing! We knew you would be good but honestly, we can't tell you how totally blown away we were. You created an atmosphere that was unbelievable, and we have received so many comments from our friends and family about you guys. I have a feeling you might also get some bookings for next year too! The card with our playlist was a lovely touch...we both sat there saying oh yea that one and oh yeah, we remember dancing to that one!! Ha ha. If we can leave any reviews for you on Facebook or anything, please let us know! We have some hilarious video clips too if you wanted to see! ☺ Have a lovely new year and we hope someone we know books you for 2017 so we can see you again!"

Luke & Danielle - wedding
(The Barns Hotel, Bedfordshire - 23rd December 2016)

"From the moment The Blue Rinse came on stage the dance floor was full. They played a full variety of songs – some our requests and ones they knew would keep people dancing. The variety of songs was amazing with the lead singer adapting his voice from Rock, dance, soul & 80's classics. We had many of guests say how good they were – my sister fancied all of them! Their live rendition of Eric Clapton's 'Wonderful' for our first dance was so like the original and full of emotion. A really professional talented band that take pride in their music and enjoy what they do and making people enjoy them."

Tracy Henry-Claisse & Jason Claisse - wedding
(Woodlands Manor, Bedfordshire - 6th January 2017)

"An excellent addition to the evening. The dance floor was packed from song 1 to the end of the set and you have been the talk of the business since the conference. Great mix of tunes, great stage presence. A thoroughly good time was had by all and we will definitely consider booking you again for our next conference."

Chris Merrick - corporate conference for Capita
(Thistle Terminal 5 Heathrow, London - 27th January 2017)

"Loved it!! The sound quality was very impressive! It looked great! We thought they were absolutely brilliant and worth every penny. They made the party (along with our family & friends). People who hadn't seen them before play before loved them. The song choices were fantastic. Everything was great, the band on the night were friendly, accommodating and TALENTED!! They should have taken more booze from the free bar!! Honestly, I couldn't recommend them enough. A great service from start to finish. Many, many thanks."

Mary & Dan Barker - 40th birthday party
(Henlow Park Pavilion, Bedfordshire - 28th January 2017)

"From the first contact The Blue Rinse were inviting and approachable. Marie was a fantastic communicator and communication was prompt and clear. On the day the band set up efficiently and with minimal disruption. From stat to finish they were upbeat, interactive with the guests and provided a fantastic atmosphere! We particularly enjoyed the 'Dad dancing!!' It really felt like it was a group of friends playing for us at our wedding and we cannot thank the guys (and Marie!) enough. The icing on the cake was 'New York, New York' for the final song, as New York was Infact our honeymoon destination. I couldn't recommend you guys enough and are looking forward to seeing you play at the Grove Theatre's 10yr anniversary."

Rebecca Weatherley - wedding
(Ashridge House, Hertfordshire - 11th February 2017)

"Just wanted to say thanks to the guys for last night – I had a brilliant time and they were amazing everyone was talking about how good they were. Thanks to you too Marie for organising. Amazing! The boys went down a storm. I knew they would be great but the feedback from friends and family has been excellent. People have even commented about the chemistry between the boys, which was great to watch for those who weren't up dancing and the continuity of the music rather than stopping and starting between changes of songs. It was a fabulous night: I'm so pleased I booked so far in advance – they made the night, and I wouldn't hesitate in recommending or booking them again."

S. J. Longley - 40th birthday party
(St John's Centre, Bedfordshire - 18th February 2017)

E. Garrett - anniversary party for the Grove Theatre
(Grove Theatre, Bedfordshire - 21st April 2017)

"We had a wonderful day and I think all of our guests did as well. The band were amazing. So many of the guests commented about how good they were. I had seen the band before at the wedding of one of my friends and I know that numerous other couples that were at the wedding have used The Blue Rinse subsequently which I think says a huge amount. Although we had not input into the set list (we weren't that precious), I had mentioned our ages and the ages of most of our guess (late 30's). It definitely felt as if this was taken into consideration in coming up with the set list because it included so many songs that reminded us of our university days which was fantastic given that many of the friends, we had made at that stage of our lives were in attendance. There was something in there for everyone, with family members ranging from 6 & 7year old nieces to our parents in their 70's on the dance floor for most of the evening. Thank you so much for sharing our special day. "

Glenn Cockerill - wedding
(The Slaughters Manor House, Cotswolds - 22nd April 2017)

The music both from the band and the DJ was absolutely spot on. We can't thank you enough and will recommend you to everyone!"

I will certainly be recommending them. So glad Jonathan did! Thanks, and I'll be in touch after the honeymoon with more praise!!"

Tim & Sam - wedding
(Private grounds, Kent - 13th May 2017)

"I just wanted to say a huge thanks to the band for the part they played in a great night at Tim and Sam's wedding on Saturday. I did manage to get round and say thank you to them all on the night but wanted to put it into writing! They kept the party going into the night and had the dance floor completely packed by the end. I had plenty of positive comments on the night and yesterday, which is even better as they were my recommendation to Tim and Sam! Thanks again and I'll look forward to seeing the band again on 29th June."

Jonathan Price - wedding
(Private grounds, Kent - 13th May 2017)

"The first song - Shape of you, had an excellent impact on the night and really set the scene for the rest of the event. Great range of songs; Excellent chemistry amongst the band; Dance moves on point; were flexible on the evening, e.g., changed timings."

Claire Williams - corporate event c/o Racingline Events Ltd (for Volkswagen UK Ltd)
(Leicester Marriott Hotel, Leicestershire - 17th May 2017)

"A heartfelt thank you for the support that you provided at the Guildhall on Friday 19th May for the Butchers Summer Ball. As I expected you played faultlessly and all I spoke to were very pleased with your engagement and tunes that you played. It is so good as an organiser to have a team that is trusted and can be left to crack on without worrying about details - I felt that about The Blue Rinse, as I am very confident working with you. Can you please pass on my thanks to all the band who played on Friday evening - they were fantastic. Thank you again."

Sue Moore - corporate event at
(MK Dons Stadium, Bucks - 20th May 2017)

"We can't thank you enough for helping make Rachael and Dan's wedding day so special. From Rob (pianist) playing early on and then in the sweltering heat during the drink's reception (bless him), to such an amazing set in the evening and to Marie's superb and reassuring organsiation of it all, everything has been perfect. Our guests could not stop raving about the band and we've had texts and FB messages all day saying the same. Several had heard good things about The Blue Rinse but never seen them and are now huge fans. We will add a comment on Google reviews to reflect this. We were so busy enjoying ourselves I'm not sure we all got a chance to thank the guys enough at the time so please pass this onto them. The wedding card was such a lovely touch too! Hopefully you'll secure some future bookings after yesterday, one friend has already enquired about your rates for their daughter's wedding. Thank you once again for contributing such a big part to such a magical day."

We have had numerous compliments from all of our guests saying how good the wedding was and the band were. "Clearly, booking a band is a big decision, but we had seen and heard The Blue Rinse at a couple of events in the area, so when it came time to plan my 50th birthday celebration, they were the first choice. Now, having had the event, they are the only choice! The support that Marie gave us during the early stages was excellent – even when we weren't sure if we had a venue. Emails are always answered promptly and there's loads of information and Q&A's available for even the most nervous organisers. The guys themselves were wonderful – friendly and approachable – the sort of people you would like to your event as guests! The set up was carried out with no fuss in the smallest of areas; everything ran to time, even the landlord was happy with the volume and bass levels. All this before we even talk about the sets. We left the song choice up to the guys – completely the right decision. They had even the most stand-back-and-watch friends on their feet, with a fabulously broad selection of songs. The DJ sets also kept people up dancing. The Blue Rinse guys (there are six in all) are friendly, professional and capable and bring a quality feel to an event. We received so many compliments from our guests and I can't wait to find a reason to book them again. The only question now is "Why have you not yet booked The Blue Rinse?"

(The Sun Hotel, Hertfordshire - 27th January 2018)

"The Blue Rinse were absolutely amazing. They had everyone up and dancing all night and the playlist was spot on! All the band members put their heart and soul into performance and joined in the party spirit. The guys looked great, as did the stage setting. Everyone still talking about them!"

Lisa Johnson - 60th birthday party
(The Sun Hotel, Hertfordshire - 27th January 2018)

"Carl and I are a massive fan of live, so it was really important for us to find a band that not only played a great selection of music – both old and new, but that also sounded good. The Blue Rinse not only sound amazing but play a selection of songs to get everyone up on the dance floor. It meant a lot to Carl & I that the band made the effort to learn Bon Jovi's 'Always' for our first dance. That really was a very special and memorable moment for us both. The evening of our wedding wouldn't have been complete if we didn't have TBR play/perform at our wedding. All three sets got everyone up dancing and all guests commented on how good they are. We would recommend TBR to anyone who is getting married or having a party. We would like to be kept informed of future gigs & events The Blue Rinse will be playing at."

Samantha Tucker - wedding

The dance floor was never empty, and my lasting memory of the evening is joy, laughter and 'moves' (some questionable) set to the most incredible soundtrack. Thank you – you heroes."

Rachael & Adam - wedding

We hope the band enjoyed it as much as we and our guests loved having them play for us. As you can imagine everything is a bit of a blur until we watch our video back, however we do remember the guys nailing our first dance. The guys added to the enjoyment of the day, and we can't thank you all enough for that. As soon as we get some pictures and clips back, we will share on social media and ensure you are all tagged. Thanks once again and we look forward to seeing the band play live again at one of their public gigs in the future."

"Leading up to our wedding day, your communication was excellent. No request of ours seemed like it was too much trouble, and you went out of your way to accommodate our preferences and tastes. On the night, you created a brilliant atmosphere – my husband and I did not leave the dance floor! Our first dance song was played beautifully, and it meant a lot that you included a song for my mum and dad. You also made my husband's day when you all went to the trouble of learning and including Macklemore. So many of our guests have comments on how amazing you were. You guys clearly love what you do, and we had so much fun singing and dancing along with you! We cannot thank you enough for heling to make our wedding day perfect."

As it was a warm evening, they had a challenge as so many people were outside, but I noticed a change of song/style about 3 songs in which suddenly got lots more people to come and dance – not sure if this was planned or made up on the spot but it worked!"

Steven Luck - wedding
(Dodford Manor, Northamptonshire - 12th July 2018)

"Just wanted to say a huge thank you to the band for making our wedding day so special they were amazing! Everyone we have spoken to about our wedding have all said how amazing the band were, even on the evening of our wedding people were asking us where we found them! We would highly recommend the band for any events. The communication between us and ~Marie was fab any queries she would get back to us instantly. The band members are all friendly and very approachable and gave a professional and personal experience. We have no suggestions for any improvements as we feel everything was so organised and at such a high standard nothing was missed, even to the point of us receiving a wedding card which was a nice touch as we weren't expecting one and didn't receive one from any other venders at our wedding."

Abbie & Lee - wedding
(Coombe Abbey Hotel, Warwickshire - 21st July 2018)

"Marie has been fantastic, could not fault the communication – 5* service! The new lights looked fabulous! What a great addition to the bands set up! When the reveal curtain was pulled up, it looked magical! The evening entertainment was just wonderful. Tom and I have previously seen the band perform live twice at two public gigs and we were so excited for them to play for us. The band were on top form, and we could not fault their performance. We felt incredibly lucky to have had the band perform for our special day and it ended the night perfectly! The dance floor was packed from start to finish. The guests were thrilled with them, and we had so many positive and lovely messages from friends and family about their performance – they were a huge hit! We wish we could do it all over again! We would most definitely love to have the guys back again to play for us at future celebrations! A quote form one of our guests: "That was the wedding of the century"! Thank you, Marie, and TBR guys – you were awesome!"

"From meeting the guys at the wedding show, they were so helpful and friendly. Marie's communication was prompt and able to answer any questions. Email response was always brilliant and was great at sending the reminders needed. Very professional in all correspondence and in contacting the venue prior to the wedding. Despite having a smaller area to set up the band did everything they could to still set up on time and ensure extra tables for poor weather. Stage appearance was excellent. Great touch that you are able to select a top 10. The sound quality was brilliant, and the band worked fantastically at ensuring the noise limiter wasn't tripped. The sound volume was perfect – allowing those at the back to have a conversation. The Blue Rinse are one of the most memorable parts of our special day. The dance floor was full for the whole evening and our guests absolutely loved the set list – which is perfect for getting everyone up to dance. The atmosphere was absolutely electric. So many of our guests commented on how amazing the band were and have asked for their details. So, I am very sure that we will get the pleasure of hearing you at future celebrations ☺!"

Joel Cockerill - wedding
(The Thatch Barn, Cambridgeshire - 27th July 2019)

"Ashley and I wanted to send an email to thank you for the incredible performance at our wedding, everybody had a fantastic night dancing to the band and the DJ. We had hoped that we would have our guests dancing all evening at our wedding and they were! We were so pleased. Thank you. We had the best time! Please let us know when you have any gigs upcoming. ☺!"

Louisa & Ashley Heritage - wedding
(The Elysian Hall (The Maltings), Cambridgeshire - 9th August 2019)

"Information provided was very informative & detailed. It answered a lot of questions. I loved the lighting – I'm a big fan of lighting rather than decoration – It adds to the ambience. Lots of great comments about the Cinema Lightbox. The 'FAB & 50' (Letter Lights) was great – It looked lovely at the front of the band. 2 years ago, when I was planning my party, I had decided that having a party depended on getting The Blue Rinse – If I couldn't have them then there wasn't going to be a party – Thank God they were free. There is no doubt that TBR made my party – they create such a great vibe/energy – especially the way that they blend one song into another. TBR create a great party atmosphere every time. They are professional, friendly and great at their job. I would like to thank The Blue Rinse again for making my milestone birthday party one to remember. Everyone enjoyed themselves and said how great the band were – I look forward to attending more gigs and enjoying getting sore feet from dancing as always ☺ P.S. Thank you for the birthday card – lovely touch."

C. Johnson - 50th birthday party
(IBIS Hotel, Hertfordshire - 10th August 2019)

"We wanted to drop an e-mail to say thank you so much to everyone at The Blue Rinse for coming to celebrate our Wedding with us and helping to make it so special. The number of comments we've had from guests regarding the band/music has been unbelievable and the dance floor was never empty! (In fact, even members of the band themselves were saying how pleased they were to see a Thursday crowd so excited and involved for the whole evening!) The song choices and DJ were perfect and we're both so pleased you were able to come and play for us. It really was a day to remember and better than we both could've ever imagined. (There are some fantastic photos of the guys playing and the dance floor filled!) We also loved the photo you put on Facebook from our special day. Thank you also for the copy of the set list - this was a lovely touch and something we have put in our wedding memory box. Many thanks once again and we hope to have you play for us again soon!"

Tom & Kirsty - wedding
(The Priory, Hertfordshire - 15th August 2019)

"Thank you to you and the band. Any questions we had leading up to our wedding were responded to very quickly. From first point of contact to performing on the day I found the band very friendly and very professional. We were really pleased with our XL Cinema Style Lightbox. During the Blue Rinse band performance and for days afterwards people were saying how good they were. Sometimes you would leave the room and you would come back in to think that the DJ was playing it wasn't - was the band performing, the vocals that good. The dance floor was constantly full of people. We enjoyed it so much that ourselves and some of guests are going to see the band perform in St Albans. The impact they had was the wow factor for our wedding, they were awesome. Thank you for the card and playlist too. Will go in our memory box. We'll definitely be spreading the word about the band."

Michelle & Robert - wedding
(Fawsley Hall Hotel, Northamptonshire - 16th August 2019)

"Just wanted to say a huge thank you to you and the guys for everything on Saturday. The music was absolutely amazing, and we danced all night. We've had so many comments from guests on how great the band and DJ were, and we've passed your name on to them all. Our first dance was truly stunning. The band did such an amazing job with it and really made it a moment we'll never forget. Thank you so much. The card and set list were an extra special touch we weren't expecting! It was so lovely to open it on Sunday – you all went above and beyond for us, and we'll be forever grateful. Extra special thank you to you Marie, for all the communication in the run-up to the wedding. You really made the process so smooth and simple. It was a pleasure working with you! We'd love to write a review for you – just let us know how to post it online somewhere. Sorry we didn't get to say goodbye to the guys – we really hope to see them all again in the future!"

The first dance was incredible, we couldn't have asked for anything better! I didn't get a change to say thank you or goodbye to any of the guys on the day which I'm really sad about! Please just let them all know we absolutely loved it and will recommend them to literally everyone we know! Thank you with all your help with boking process Marie, it made it all so easy! Thank you once again! We loved it!"

Lisa Degnan - cricket Club Ball
(Ampthill Cricket Club, Bedfordshire - 28th September 2019)

"My husband and I want to express our gratitude to the Blue Rinse Band; they are absolutely professional in every way. The selection of songs was great and according to the profile we gave them about our guests; the transition to DJ during the guy's breaks is almost imperceptible, and they sing non-stop. Supremely organized, nobody could hear they were setting everything in the room next whilst we were finishing our wedding breakfast, and at the end they collected all equipment incredibly fast. They sang non-stop but never looked tired or without a smile on their face. We can tell they enjoy what they do and put so much love into it. It is also easy to imagine they have wide experience in their field. All our guests were commenting how good they are and asking us where we found them, and I personally couldn't stop dancing although my feet were complaining! With regards to their personal presentation, they are elegant but in their own style; they looked amazing. And as for Marie, she with all her organisation and prompt responses, infused confidence and peace of mind to us. Thank you for having made of ours a very memorable and beautiful celebration."

Alba Lucia Figueroa-Brown & David Brown - wedding

(Aldwickbury Park Golf Club, Hertfordshire - 16th November 2019)

"Professional throughout from start to end. Extremely friendly. Letter Lights looked brilliant - Made the stage personal to us; loved it. Guests are still talking about the band - Made the evening. So many comments from guests regarding how brilliant the band were, the best band. Ensured all guests joined in and got everyone on the dance floor. We did not want the evening to end. We would highly recommend to anyone wanting a perfect evening to use The Blue Rinse. Thank you so much. Cannot fault anything."

C. Savage - wedding

Thank you so much!!"

R. Manchee - wedding

"The Blue Rinse guys absolutely made our evening reception. The attitude & charisma of the guys was faultless, professional in set up & dismantling and the choice of set list I could not have chosen better myself. The dance floor was never empty, and a lot of guests also commented on ow great the guys music quality and set list were. Having a live band for our evening reception was always a must, but Marie & the guys at The Blue Rinse went above and beyond anything we ever expected."

The more mellow playlist didn't disappoint, and we didn't feel we had missed out on anything. Fantastic! Always contactable, friendly, and thorough. We felt the band, the venue and us were on the same page so the music and vibe of the day was exactly as we hoped for. Every single guest took us aside to tell us how amazing you all were and how great your song choices were. I gave your details to so many of our guests and also to one of the wedding coordinators at Sheene Mill who said you topped it as the best band she had ever seen at the venue. The lighting was so great!! We loved our names in front of the band!! I swapped my wedding shoes for a pair of flip flops so I could keep dancing the night away. Your song repertoire was spot on!!! Our day wouldn't have been half as good without them. A huge addition to making our day an amazing one. We had so many comments on the evening and since the wedding saying how great the band were. Everyone thought you looked and sounded amazing. Great mix and had all our guests up for every song. The cover of our first dance 'One Day like This' was incredible. It sounded perfect. Rob (pianist during ceremony) was super helpful throughout the day. When I asked him to play the entrance music in. a certain way, he was more than happy to. He also played all the requested songs beautifully. (Sweets & Treats 'dry hire') - So glad we hired this. The guys set these up amazingly and these were really popular in the evening for kids and adults. We hired a 'MR & Mrs' sign (30cm on top of 60cm surname), and a lot of people commented on ow good it looked. Really personalised the set for us and made for great pics. We always knew we wanted a live band for our wedding and after searching various local bands and found "the Blue Rinse'. We're so glad we did. "Myself and Michael would like to personally thank you all and al the crew for an absolutely fantastic night. Many of our guests were blown away and amazed at how good you were. We couldn't have honestly asked for better entertainment for our special night. 2019 we booked you for our wedding due 11th July 2020, unfortunately covid had different ideas for our big day. But through it all you remained professional, understanding, and worked with us throughout it all. We thank you for your support and we can't wait to see you again in the near future. We also opened your card this morning and it brought a tear to my eye."

Andrea Trueman - wedding
(Furtho Manor Farm, Buckinghamshire - 9th July 2022)

"From my first discussion with Marie & Martin to even after the event, the communication has been fantastic. We had to reschedule 3 times due to COVID, the band were so accommodating and worked with us to rearrange new dates. Nothing was ever too much of a problem for them and their professionalism was second to none. The night itself was truly amazing. Listening to them on YouTube does not do the band justice and I can honestly say they were better than some mainstream artists I have seen. It honestly blew me away how good they were. If I could give more than 5 stars I would and would persuade anybody who was looking to book a band to only book these. You made our day and I'm forever grateful to you all. Thank you and I hope to see you perform soon."

Michael H. - wedding

Ed & Charlotte - 50th birthday party
(The Farmhouse at Redcoats, Hertfordshire - 7th October 2022)

"Even with a small-ish wedding of 60 people there was always people up dancing. We had a mix of age groups and there was something for everyone. We still get comments and questions now about the band and how great they were. From experience we know how bad entertainment in an evening reception can make or break a wedding reception. We can safely say we dd not have this issue. The Blue Rinse and went above and beyond our expectations. Talented, polite, and professional as well as keeping people dancing. What more would we want from our wedding band. Thank you!"

J Rodrigues - wedding

This has made the process so easy and reassuring that you had everything under control. With regards to the performance on the day we thought it was brilliant. There was such a mix of songs and had the dance floor full during all the sets and even kept people up during the DJ sessions. We have had so many of our friends and family comment on how good the music was for the performance and song choice. Thank you to you all for making it a great night to the most perfect day."

"It's a HUGE thank you for being so utterly brilliant at Amy and Jack's wedding last Saturday. You were utterly fantastic in every way and made the evening party a total success! Everyone was saying how great you were – you absolutely read the room perfectly and kept the dance floor packed from start to finish! I really can't thank you enough for being so amazing. Take care all and good luck with the rest of 2023!"

Pamela (Amy's mum) - wedding
(Milling Barn, Cambridgeshire - 4th March 2023)

"Couldn't have asked for anything more! Learnt and played our first dance to perfection, played to such a wide variety of musical tastes, and kept our dance floor full all night! The band were so flexible on the day too when we were running a little behind. Moreover, the Blue Rinse were hands down the best suppliers we dealt with as part of the wedding planning – seamless communication, tremendous organisation and always an absolute pleasure to deal with. Would not hesitate to recommend for anyone else's big day!"

Amy & Jack - wedding
(Milling barn, Hertfordshire - 4th March 2023)

"We just wanted to say thank you so much for everything. The Blue Rinse were an absolutely amazing addition to our wedding day and exceeded all our expectations. We were blown away by the first dance, which we were super nervous about, but somehow that mostly went away once the band started playing! They learnt our first dance song for us (The Power of Love' – Huey & The News) and absolutely nailed it...from that moment on it was nonstop full all evening. The Blue Rinse really know how to cater for all ages and audiences at a wedding and throughout the night played such an incredible variety of songs across all genres, from wedding classics to club anthems! Thank you also for being so helpful and available throughout this whole process, you were so informative. You provided so much more information than any other bands we made initial contact with, it was so easy and straight forward and very refreshing to be speaking with the actual band rather than a big agency. Even things like letting us know how long we should dance before inviting guests on the dance floor was useful to know and worked perfectly on the night! Thank you so much! And also thank you for the card, it is great to have the setlist to our wedding for us to remember."

Emma & Martin wedding
(Ashridge House, Hertfordshire - 25th March 2023)

"MORE than 5 stars. You NEED this band. What can I say about The Blue Rinse... Wonderous, Stand-out, Brilliant, Fun, Talented...the list goes on. We hired them after a recommendation and hadn't heard them perform before our wedding reception. They were utterly fantastic throughout. From taking to Marie & Martin via email beforehand with a short list of 'Must/Don't plays' and explain a few of our musical preferences, they did the rest. The band were utterly trouble free organisationally speaking, professional and early on the day meaning there as not an ounce of stress felt. Then the music began... The guys are awesome. The dance floor was bouncing all night and people stayed well beyond their usual bedtimes because the music was so good. I didn't hear a wrong note al night. They also have their own roving sound engineer meaning there's no 'garage band feedback' you get at events. All in all, Worth every penny. You need to hire these guys."

Steven Wynne - wedding
(The Gatsby, Hertfordshire - 30th March 2023)

"Thank you so much for being part of our wedding. I cannot tell you how many of our guests came to tell me how much they loved the band. Nat & Will - wedding
(Horwood House, Buckinghamshire - 1st April 2023)

"The band were amazing. We met them at a wedding show last year and then went to one of their gifs. As soon as we saw how they had everyone up and on the dance floor, we knew we had to book them for our wedding! They performed our first dance which made it so much more amazing, it was exactly what we hoped it would be. The set list was great, and we even received a copy of it from the band which is now framed on our wall! It was a very personal touch that we weren't expecting. Everyone said how amazing and wonderful the band were, the best way to celebrate our wedding. The Blue Rinse definitely made the best wedding soundtrack. Thank you!"

Sophie & Olly - wedding

Eli - corporate event for Coulter Partners
(Horwood House, Buckinghamshire - 22nd June 2023)

"What can I say what a FANTASTIC show you put on for us. Music was perfect timing was fantastic. It all went so well. Thank you all for making our day so special. We have had so many guests commenting on your performance I am just so sad that due to the heat many guests were outside (we did fear thus would be the case). I know how disheartening this can be when your efforts seem to fall on deaf ears but believe me it did not go unnoticed. I for one had a great time and as an ex-DJ I would have been your biggest critic, but I should not have had any doubt. The boys did us proud. Thank you again Marie and if you could share me a link to a comment site, I would be honoured to give you all a good review. Please pass on my thanks to the band you were not only brilliant but professional too. Thank you again and if we need a band again, we will certainly be in touch."

John & Stella - wedding
(The Barn at Brook End Green Farm, Bedfordshire - 24th June 2023)

"Prior to the event, students were apprehensive about a band, and some said they would have preferred a DJ if they'd had a choice. However, on the night and certainly since, students have said how glad they were they had a band, how goof the performances were and how much they felt the band created an atmosphere that they will always remember at their prom. From a staff perspective, the dance floor was always filled when the band were playing. Will definitely be looking to book again!!"

Marie Jones - Sixth Form Prom for Redborne upper School
(Barn at Brook End Green Farm, Bedfordshire - 29th June 2023)

"We got back from our honeymoon yesterday after a whirlwind couple of weeks and just wanted to drop you a line and say thank you! We had an absolutely amazing evening dancing the night away with you guys and have had lots of compliments on the band! We were far too busy dancing to take photos but can't wait to see the pics from our photographer! Thank you as well for our lovely card."

Sara Gavin - wedding
(Furtho Manor Farm, Buckinghamshire - 1st July 2023)

"The info provided was very thorough & Marie was always extremely helpful if we did have questions. Marie always replied to emails quickly – we never had any issues with communication. Was lovely chatting to Martin at all the wedding fairs. We umm'ed & ahh'ed about getting a DJ or a band for our wedding but decided on a band after attending a wedding with an AWFUL DJ! We made the right decision 100%! The dance floor was always full & TBR had clearly listened to us & personalised our set list accordingly. We've had so many compliments about the band & have even talked about having an anniversary party with you guys! I've already passed on your details to a wedding guest!"

Everyone commented on how good the band were as evidence in that the dance floor was never empty. Such as great group all round and interacting with the guests. They performed our first dance and father, daughter dance brilliantly (even after altering lyrics to make it more personal). Even the added touch of a wedding card with the playlist was such as lovely detail. People were holding their wees and running from the bar for the songs. Zoe & Richard - wedding
(The Tithe Barn, Bedfordshire - 13th July 2024)

"The band of all bands!! We had the most incredible night with @thebluerinse. We met The Blue Rinse at a MK wedding fair and the moment we saw their video at the fair we knew they were the ones! Totally a bit of us with Indie songs, boy band medley and great vibes! We went to watch them at Luton, and I would 100% recommend doing it just to have a good party night taster haha. From first contact the ban were friendly and welcoming. Marie the lady behind the emails and arranging was so helpful and professional and nothing was toom much of a problem, learning our first dance sing, to keeping the dance floor full and throwing in a few medleys! We had an absolute blast!! Thank you for being so amazing and we will be recommending you to everyone. A week on and we still have guests saying how amazing you guys were and of course we agree 5 *."

A testament to their talent and ability to read the room and provide the perfect setlist comes from several of our guests who described them as "the best wedding band ever!" I hope friends and family book The Blue Rinse for their events so we can have the pleasure of enjoying their performance all over again.!"

Katie Darby - wedding
(Huntsmill Farm, Buckinghamshire - 20th July 2024)

"Marie was fantastic all the way through the booking process. All questions were answered promptly by email. Professionalism was second to none. Perfect preparation even though we were running behind, stage looked incredible. Great variety of songs. Kept everyone up and dancing! It's hard to put into words how incredible The Blue Rinse were on the evening of our wedding. They arrived with plenty of time to spare and were extremely unintrusive even though we were running behind. I had an issue with my dress bustle which meant I was in the room they needed for getting changed but they were so professional and friendly, despite the bridal meltdown. We have had many comments from guests about how amazing you were. Having you there performing honestly made the wedding complete. Having the first dance performed live made it all the more special. The mix of songs was perfect, and the length of sets allowed everyone to really become absorbed on the dance floor, and the DJ sets added to the energy as well. We couldn't have asked for more form a band and DJ. Thank you so much!"

Charlotte Glynn - wedding

The whole day passed off without a hitch and the band made the celebrations truly memorable. You even managed to get people on the dance floor who would never get out of their seats and many of us partied right through to the end! Please pass on our appreciation and thanks to the whole band for their wonderful sessions during the evening – not forgetting the DJ mixes! – and we'd have no problems recommending you to anyone else we know that needs a band for their event!"

Paul & Chrissy (David's parents) - wedding
(Sheene Mill, Cambridgeshire - 3rd August 2024)

"Everything was very easy and straightforward. We honestly can't thank you enough. The dance floor was never empty, and everyone is still talking about the band. It meant so much the boys learnt our first dance song and gave us the most magical moment. We loved them so much. A perfect mixture of Julie's love of boybands and Dave's 'better' taste in music. We hope to have you back for our 10th anniversary. Thank you."

Julie Turner - wedding

"Fantastic communication! 100% recommend! So many people made comments about how incredible you were! We have also passed your details on to some guests who asked too! Finished off an amazing day! One of our fears was that people would not be on the dance floor and you guys made sure that was not the case, during both the live and DJ sets. A huge thank you, you are all amazing!"

Chelsea Dumbarton - wedding
(The Great Barn, Oxfordshire - 10th August 2024)

"Emma and I just wanted to say a quick thank you to the guys for an amazing evening on the 12th at Crockwell Farm. The band was amazing, and we had so many comments on their enthusiasm and quality. We can only apologise for the emptiness of the dance floor early on but as the lads will attest to, it was incredibly hot, and it certainly filled up later on! In terms of the lead up as well, the organisation and communication were so helpful and really made our lives easier wen planning the wedding. We will certainly be recommending you to anyone looking for a wedding band."

Marcus & Emma - wedding
(Crockwell Farm, Northamptonshire - 12th August 2024)

"The Blue Rinse were simply fantastic and really made our wedding day special. Ahead of the day, the organisation and communication were perfect and we'd 100% recommend them to anyone. The range of music and level of crowd engagement meant the dance floor was never empty while they were performing. The fact that they asked us which 10-20 songs we definitely wanted played and 3-4 songs we didn't, meant we got a personalised experience, and it was this attention to detail that made the band so special. They also learned our first

dance, slowing it down to make it a perfect tempo for the first half before speeding it up for the 2nd half. It was everything we'd dreamed of. Thank you, The Blue Rinse!"

Emma Smith - wedding
(Crockwell Farm - 12th August 2024)

Our whole day was fantastic to be rounded off perfectly by the band. Our first dance was not a normal 'run of the mill' song and they performed it perfectly. Will always recommend the band and happy to be contacted by anyone who wants first-hand response to if they should book you!"

Everyone loved how interactive they were, and the bass player was joking with the band and guests. We also couldn't have been happier with how the band played our first dance song after learning it for us. Although it was a country song the twist, they put on it was perfect. If you're still together in 20 years we'd use you for our renewal :-). Thank you so much to you all")

"I was so pleased that I booked The Blue Rinse for my event, they were great. The sound quality of the band worked very well in the hall, plus they sang a good variety of songs to suit all ages that attended my event. The Pianist at the beginning of the day gave my event the perfect start with his choice of tunes. Having the Acoustic singers start the evening event off worked well. The Band were as good if not better than when I heard them at a friend's event. I was so happy that they were able to sing the song that I has asked about, it was a perfect start. The DJ had a great choice of songs and played my all-time favourite love song at the end of the evening. Well worth the money and I would book them again and defiantly recommend them to friends."

"We cannot thank you and the band enough for being part of our wedding and making it so special. They kept the dance floor completely full the whole night. The whole set up for the band was perfect and levels were amazing. Every song was a highlight for me, but 'Never Too Much', 'Town Called Malice' and 'Don't Stop Me Now' were outstanding, as well as the first dance of course. Other guests loved the Mama Mia medley and the boys band songs. A lot of people said you were hands down the best wedding band they have ever heard. And to top it off, the card was an extra unexpected treat, with the set list in, it could have been more special. I'm sure you hear it a lot, but music has been a really big part of my life and I was over the moon when they started playing the first dance and I could hear how good they are. We are incredibly grateful to all of you for such a wonderful day. Thank you very much."

G. Wombwell – corporate event
(Rectory Farm, Cambs. – 10th July 2026)

"I just wanted to send a quick note to thank you and the band. We had the most amazing time on Saturday, Will and I didn't leave the dance floor all night! We have had so many messages from our guests saying how amazing the guys were. A couple of my friends have asked for your details as they both have children getting married next year. We had a few quieter moments on the dance floor because of the football but luckily you guys played so many good songs that it soon got filled again. My absolute favourite part of the night was when the DJ played my requested Estonian song that then followed by our favourite Freed from Desire played by the band. The transition was amazing, and it was just perfect for us. The first dance song was sung so beautifully, we both loved it so much. Last, but definitely not least, the communication before the wedding was great and you were so helpful throughout. The wedding card with our set list was a nice, unexpected touch. I can't wait to hear you play again!!I'm already making plans for my 40th because I need an excuse to dance with you again! Although this is still a few years away. Thank you again so much! You truly made our wedding party so fun, and we couldn't be happier how everything went."

"Pianist during canapés – everyone was very complimentary. Light up letters – looked great! I am so glad we booked you guys, communication and friendliness was great from when we first met you at the wedding fair. All details were covered before the event really professionally, so we had no concerns, and the dance floor was never empty which was just what we wanted 😊 Guests we have seen since said how great you were too! Wish we could do it all over again!!"

"Great communication with very detailed information which was useful in the lead up to the event. Brilliant band as always, all our guests were looking forward to seeing them again 10 years on from our wedding and they did not disappoint. Our 10-year anniversary party couldn't have gone any better. The music choices from the DJ were perfect for the audience. The band were just superb! I remember dancing to a song thinking it was the DJ and looking up and the band were singing it live. The band played some classics and had a good mix with more current songs. Thank you so much for making the night and see you at our next big celebration. Maybe 20 years! 😊."

T. Kelly – 10th Wedding Anniversary party
(The Horn Barn, Herts. – 25th September 2026)

"Pianist played through wedding ceremony & was fantastic! Played the songs we asked for to an incredible standard. The best compliment we can give is that our feet and legs ached for days after the wedding from all the dancing! All our guests commented on how tight the band were, song selection catered for all & first dance song performed flawlessly! 10/10!!!"
